Glindower Platz / Katzengasse

[illegible]

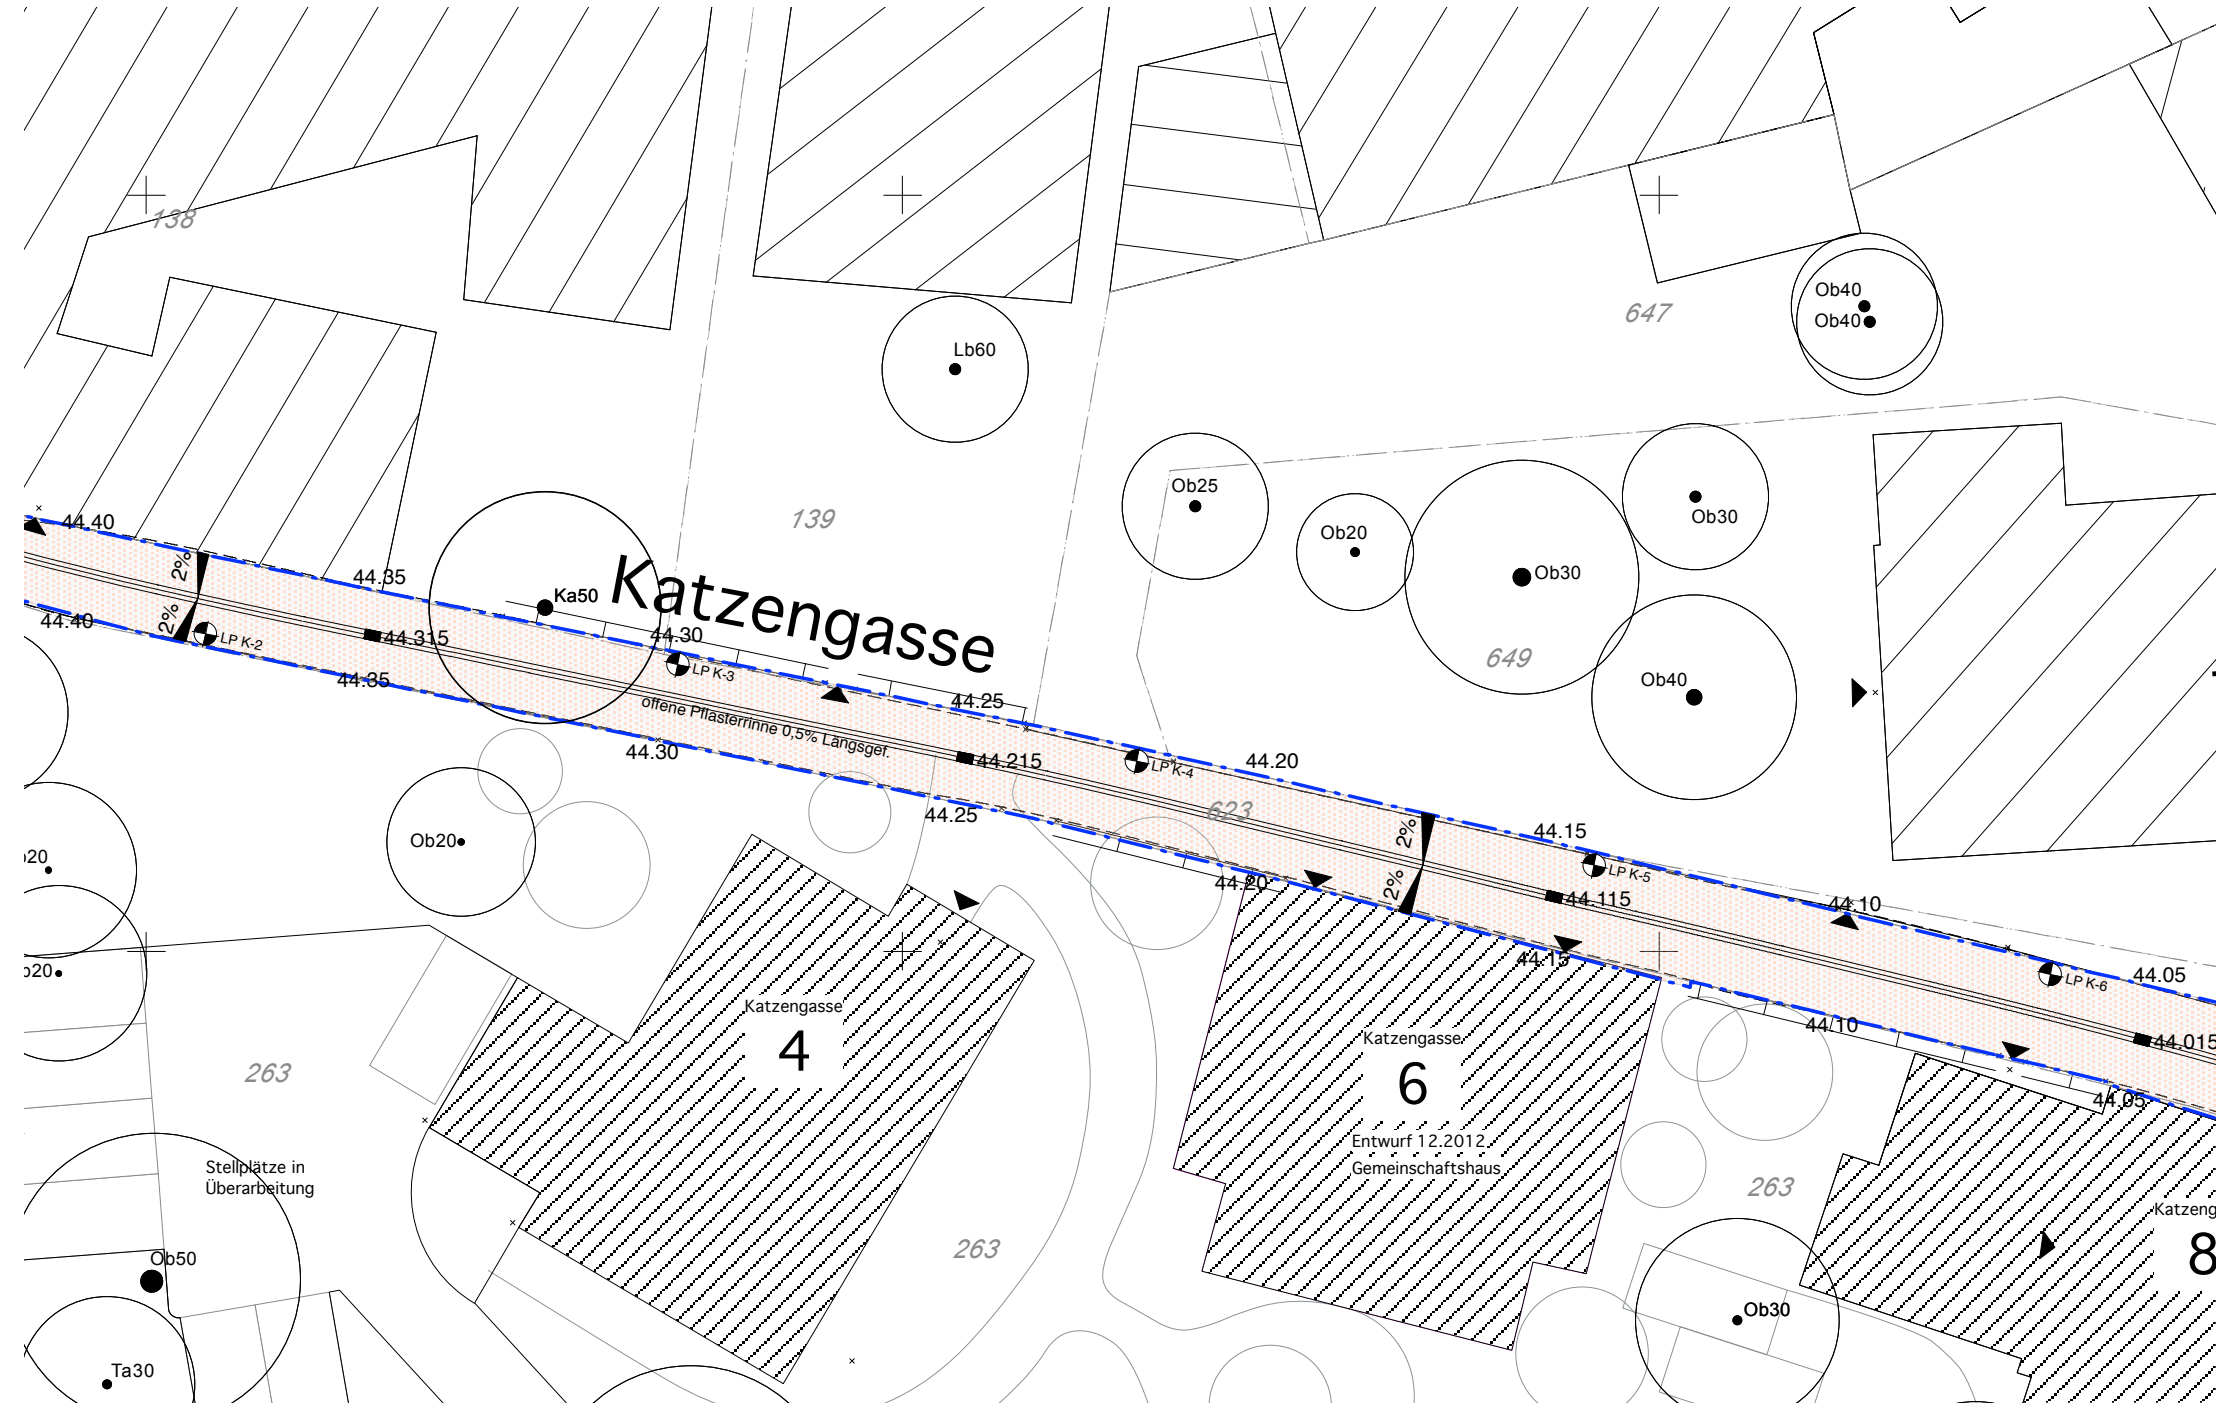

Glindower Platz und Katzengasse Variante Betonpflaster und Klinkerpflaster

This detailed site plan for Glindower Platz illustrates the proposed construction and landscaping work. The plan includes the following key elements:

- Streets and Boundaries:** Gerichtsstraße to the north, Katzengasse to the east, and the Glindower Platz area itself.
- Buildings and Landmarks:**
 - Building 5 (top left) with an entrance labeled 'Eingang Wohnungen'.
 - Building 9 (top right) with a 'Beton' (concrete) area.
 - Building 16 (bottom left) with a 'Rampe' (ramp).
 - Building 18 (bottom center) labeled 'APOTHEKE' (pharmacy).
 - Building 20 (bottom right) labeled 'BÄCKEREI' (bakery) and 'GASTHAUS' (guest house).
 - Central area labeled 'Glindower Platz' containing a 'Ring-Ofen' (ring oven) and 'Weihnachtsbaumhölse' (Christmas tree trunks).
- Green Spaces and Landscaping:**
 - Large green circular areas labeled 'Baumscheibe bepflanzt' (tree disk planted) with specific tree symbols and codes like 'Nb20', 'Ei20', and 'Nb20'.
 - Various smaller green areas and trees marked with codes like 'Lb20', 'Baum umsetzen Bu10', and 'Baum umsetzen Bu20'.
 - Annotations for 'Flachbordstein Berl. Kissen' (flat curb stones Berlin style) and 'Flachbordstein Berliner Kissen'.
- Infrastructure and Construction Work:**
 - Parking areas labeled 'Bestands-Stellplätze' (existing parking spaces) and 'Zufahrt Parkplatz' (parking access).
 - Construction tasks such as 'Aufpflasterung' (paving), 'Elektroschränke versetzen' (moving electrical cabinets), and 'Baum umsetzen' (moving trees).
 - Technical symbols for 'Elektroschränke' (electrical cabinets) and 'Zufahrt' (access).
 - Grading and elevation markers throughout the site.
- Other Annotations:**
 - 'Stellplatz vorh.' (parking space visible).
 - 'ORT GIES' (water supply point).
 - 'Katzengasse' and 'Katzengasse' labels.
 - 'Katzengasse' and 'Katzengasse' labels.

Katzengasse

Alter Markt

The image is a detailed architectural site plan for a public square and its surrounding urban environment. The central focus is the 'Alter Markt' (Old Market), which is a large, irregularly shaped green space. Within this area, several recreational and play elements are planned: a 'Hauptspielfeld (Var. 1 oder 2)' (Main play field, Variant 1 or 2), a 'Sand' area, a 'Wackelzuber' (wobble ball), a 'Trampolin' (trampoline), a 'Kletterkulptur' (climbing sculpture), a 'Wasserspiel' (water play), and a 'Berggarten' (mountain garden). The market is bordered by various buildings, some of which are numbered: 2, 3, 5, 7, 8, 9, 10, 12, 14, 18, and 49. A 'Busbahnhof' (bus station) is located near the bottom left, adjacent to a 'Bus' stop. The plan also shows several streets: 'Winkelstraße' at the top left, 'Kellerstraße' at the top, and 'Weg' (path) on the left. There are numerous parking spaces marked with 'P' and 'P1'. The drawing includes various symbols for trees, shrubs, and other landscape features. The overall style is a technical architectural sketch with clear lines and annotations.

This architectural site plan depicts a restaurant complex. The main building is labeled 'Gasthaus' and features a hatched roof. Adjacent to it is the 'Biergarten' (beer garden), shown as an outdoor seating area with numerous tables and chairs. A private access point is marked 'Zufahrt priv. Stellplatz Gasthaus'. A large parking area at the top is designated '17 Stellplätze (Bestand)'. The plan includes various landscape elements like trees (circles) and a water feature (blue line). Numerous elevation points are scattered throughout the site. A blue dashed line indicates a specific path or boundary. Other labels include 'Lb30', 'Es30', 'Lb50', 'Pa80', 'Pa90', and 'Pfl.'.

The detailed site plan for the 'Alter Markt' area shows a large green space with various planting zones. A blue dashed line delineates a new parking area with 13 spaces, while an existing parking area with 9 spaces is shown below it. The plan includes a bus stop on the left, a building entrance at the bottom, and various landscape features like trees and shrubs. Key labels include 'Alter Markt', 'Pflanzung', '13 Stellplätze (Neuplanung)', '9 Stellplätze (Bestand)', 'Eingang', 'Zufahrt', 'Vorplatz', and 'Eingang'. Dimensions and other labels like 'Zufahrt', 'Vorplatz', and 'Eingang' are also present.

Grundelemente Spielplatz ‚Runde Sache‘

Wackelzuber

Trampolin

Kletterskulptur

Variante 1: Hauptspielelement Kombination aus Kugeln, Ringen, Scheiben....

Variante 2: Hauptspielelement entwickelt von Kindern aus Rahden

Umsetzung eines Kindermotivs der
Grundschule Stadt Rahden durch einen
Spielplatzgestalter

Wegebelag Bereich Spielplatz

fugenloser Kunststoffbelag

Vorteile:

weicher Fallschutz

geringer Pflegeaufwand

in vielen Farben möglich

Wasserspiel im Platzbereich

Variante zum Fontänenfeld: Wasserbrunnen
