VACCINATION IN THE MINDEN-LÜBBECKE DISTRICT

WHO CAN GET VACCINATED AND HOW DO I GET AN APPOINTMENT?

As of Monday, 7 June 2021, prioritisation for coronavirus vaccinations no longer applies. This means that all people are eligible for vaccination. Even through vaccination prioritisation has been lifted, this does not mean that everyone who wants to be vaccinated can get a vaccination appointment immediately. Therefore, a little patience is needed over the next few weeks.

At the moment, it is unfortunately not possible to release further appointment windows because the vaccination centres do not have the required quantities of vaccine available and the available doses can currently only be used for second vaccinations.

No new appointments for initial vaccinations will be available at the vaccination centre until at least mid-June 2021. The already booked appointments for second vaccinations remain unaffected and will continue to take place.

As soon as more vaccine is available to the district again and appointment bookings are possible, we will post updates.

For a vaccination, an appointment must be made via the appointment booking systems of the Association of Statutory Health Insurance Physicians (Tel: 0800 116117 02 or on the Internet: www.116117.de or https://impfterminservice-kvwl.service-now.com).

WHERE ARE THE VACCINATIONS TAKING PLACE?

The district of Minden-Lübbecke has established a vaccination centre. This is located in the **sports hall in Hille-Unterlübbe**. Please note that you cannot enter the vaccination centre without a pre-booked appointment! The vaccination centre is located in the immediate vicinity of the B 65 and is situated at **Schulstraße 18, 32479 Hille**. The vaccination centre is also easy to reach by bus.

For patients with

- Need for care with care degree 4 or 5,
- Need for care with care level 3 with permanent mobility impairment or
- Severe disability with the mark aG, Bl or H on the severely disabled person's ID card

if necessary, there is an entitlement to a prescription for medical transport by the family doctor. Please contact your health insurance fund before you start your journey to clarify the further procedure.

WHERE CAN I GET INFORMATION?

There is also a citizens' hotline for coronavirus vaccination on +49 (0)211 9119-1001 (Mon-Fri 8am-8pm, Sat-Sun 10am-6pm). See also: https://www.zusammengegencorona.de/en/
